

What difference have we made? How do we know?

<p>What do we now know about ...[research question/topic]?</p>	<p>How do we know? What evidence do we have of what works? <i>(e.g. observations before and after ...show..., pupil interviews indicate..., pupil data indicates).</i></p>
<p>What might you want to build on next year? What support might you need to do this?</p>	<p>What have you learnt about yourself / your teams / your practice / your pupils through working in this way?</p>
